About me

I'm a growing IT-field all-arounder. I enjoy challenges and my goal is to improve my skillset to keep myself updated. My strengths are front-end web developing and UX/UI-design.

Sideprojects

Tampere Pub Generator

Web-based Pub Generator made in Javascript
www.manseen.fi

Multiplayer Quiz game

Online multiplayer quiz game. Made In ReactJS. Demo at the time.

My sideprojects can be found in my GitHub page.
www.github.com/wuocci
